RED RIBBON CLUB AND DEPARTMENT OF ZOOLOGY & NSS WORLD AIDS DAY RALLY

The Department of Zoology, Government Degree College (A), Nagari, in association with the NCC, Red Ribbon Club (RRC) and NSS organized a World AIDS Day Rally as part of World AIDS Day. **Dr.R.Venugopal, Principal**, had started the rally. The rally was conducted with the objective of creating awareness among the public and students about HIV/AIDS, its prevention, and the importance of eliminating stigma and discrimination.

Students actively participated in the rally by holding placards and banners carrying meaningful slogans such as *“Stop AIDS, Spread Awareness”*, *“Prevention is Better than Cure”*, and *“End AIDS through Education”*. The rally passed through prominent areas of Nagari town and attracted the attention of the general public. Faculty members guided the students throughout the programme and emphasized the significance of safe practices, early diagnosis, and compassionate attitudes towards people living with HIV/AIDS. The students enthusiastically raised awareness slogans, highlighting the need for collective responsibility in combating HIV/AIDS.

The rally concluded successfully with a pledge taken by the students to support HIV/AIDS awareness initiatives and to contribute towards building a healthy and informed society. The programme was well organized by **Dr.G.Swathi, Incharge, Dept. of Zoology** and **Red Ribbon Cell Coordinator, Dr.E.Gopi, NSS Coordinator** and received positive response from the local community.

DEPARTMENT OF ZOOLOGY

HEALTH SCREENING ACTIVITY - 04.12.2025

The Department of Zoology, Government Degree College (Autonomous), Nagari, was invited to participate in the NSS Camp organized by PCN Junior College to conduct a health screening programme at ZPHS, CP of VP School. As part of this outreach activity, II Year B.Sc. Zoology (Minor) students, namely **Rishitha, Jennish, Ramya, Keerthi, Dhanalakshmi, Gayathri and Vasanthi**, actively and successfully participated in conducting health tests for school children. The students performed blood grouping, hemoglobin estimation, and blood pressure (BP) measurements, effectively applying their laboratory knowledge in a real community setting.

The programme was conducted under the guidance and assistance of Zoology faculty **Dr. G. Swathi and Mr. K. Lokesh**, who supervised the procedures and ensured accuracy, safety, and ethical conduct throughout the activity. The initiative aimed at promoting health awareness among school children and provided an excellent platform for undergraduate students to gain hands-on experience, practical confidence, and a sense of social responsibility. The students carried out the screening with dedication and discipline, earning appreciation from NSS coordinators, school authorities, and staff for their commendable service.

This activity strengthened inter-institutional collaboration between Government Degree College (A), Nagari, and PCN Junior College, and reflected the department's commitment to community-oriented education and experiential learning.

**INTERNAL QUALITY ASSURANCE CELL and DEPARTMENT OF
POLITICAL SCIENCE
ATMARPAN DINOTSAV 15.12.2025**

The Atmarpan Dinotsav was solemnly observed on 15 December 2025 at the Government Degree College (Autonomous), Nagari, in memory of Potti Sriramulu, whose supreme sacrifice became the foundation for the formation of the Andhra State and later the linguistic reorganisation of Indian states.

The programme was organised by the Internal Quality Assurance Cell (IQAC) of the college. Addressing the gathering, **Dr. Bhaskara Raju, In-charge Principal**, stated that as long as the Telugu community exists, Potti Sriramulu will remain an immortal figure in the collective consciousness of the Telugu people. He recalled that from 19 October 1952 to 15 December 1952, Potti Sriramulu undertook a 58-day fast unto death, ultimately sacrificing his life for the cause of a separate Andhra State. This historic sacrifice directly led to the formation of Andhra State and subsequently paved the way for the linguistic reorganisation of states across India. Dr. Bhaskara Raju further described Potti Sriramulu as a Gandhian, democrat, and peace-loving nationalist, whose unwavering commitment to non-violence, courage, and public welfare should inspire today's youth. He emphasised that the event symbolises the democratic ideals of recognition, dignity, equality, freedom, and representation for every language, culture, and community.

Speaking on the occasion, **Dr. Ramanjulu, IQAC Coordinator**, observed that Potti Sriramulu's efforts to realise regional aspirations within the framework of constitutional values have immortalised him in the hearts of the Telugu people. Dr. Vasudeva Rao, Lecturer in History, highlighted that Potti Sriramulu's moral courage and self-sacrifice proved him to be a true follower of Mahatma Gandhi. **Dr. Chinnapapamma, Head of the Telugu Department**, noted that although Potti

Sriramulu hailed from Nellore district, he belongs to all Telugu people as an everlasting symbol of sacrifice and dedication.

The programme witnessed the participation of faculty members, including Smt. Kumari, staff from various departments, and a large number of students. The observance concluded with a renewed commitment to uphold democratic values and to remember the sacrifices that shaped the linguistic and cultural identity of the Telugu people.

**Address by the In-charge Principal
Dr.M.Bhaskar Raju**

**Address by the IQAC Co-Ordinator
Dr.D.Ramanjulu**

**Address by Dr.C.Chinnapapamma,
Lec.inTelugu**

DEPARTMENT OF TELUGU

WORLD MEDITATION DAY - 21.12.2025

World Meditation Day was celebrated by the Dept. of Telugu, Government Degree College, Nagari. Principal Dr. R. Venugopal informed the students that Meditation is very important for achieving peace and harmony in the society. College Vice-Principal Dr. Bhaskar Raju said that meditation practice should be a part of our life and also told us to participate and live with peace of mind.

Dr. Revathi, Lecturer in English said that meditation has established a unique position at the global level. Dr. C. Chinna Papamma, Lecturer in Telugu said Speaking on the occasion, Dr. P. Varalakshmi, Lecturer in Telugu said that meditation at the student level can yield good results. Meditation has a special place in the United Nations, with a meditation room dedicated to meditation being set up at the United Nations office in New York in 1952.

He explained to the students that this room has been set up and named as the Silent Room, explaining that meditation practice is very useful in achieving stillness in the inner sense. Meditation training was given. In the context of globalization, such as conflicts, climate crises, and rapid technological advances, meditation can instill in us a sense of peace and service. He informed the students that meditation practice contributes greatly to the overall well-being of the individual. All students and teachers participated in this program.

DEPT. OF ZOOLOGY, BOTANY, COMPUTER APPLICATIONS AND COMMERCE SWARNA ANDHRA SWACHHA ANDHRA - 21-12-2025

As a part of Swarna Andhra and Swachh Andhra Programme, December 2025 different departments conducted different activities to create awareness among the students on various subjects.

Department of Zoology:

The Department of Zoology, Government Degree College (A), Nagari, organized a Skill Development Workshop on **Vermicompost: Waste Segregation**, on 18-12-2025 with the objective of creating awareness and imparting practical skills related to eco-friendly waste management practices among students.

The workshop focused on the importance of waste segregation at source, highlighting the distinction between biodegradable and non-biodegradable waste. Students were sensitized to how proper segregation plays a crucial role in the efficient production of vermicompost. Practical demonstrations were conducted on collecting kitchen and garden waste, removing non-compostable materials, and preparing segregated organic waste suitable for vermicomposting.

Students actively participated in the hands-on session, where they learned the step-by-step process of utilizing segregated organic waste for vermicompost pit preparation.

The programme enhanced their understanding of sustainable waste disposal, environmental conservation, and the economic benefits of vermicomposting. The workshop successfully contributed to skill development, environmental awareness, and promotion of sustainable practices, motivating students to adopt

vermicomposting and waste segregation in their daily lives and future endeavors.

Department of Botany:

As part of the Swachh Andhra-Swarna Andhra (SASA), December 2025 programme, a Seminar on “Self Employment Opportunities in Environment Sector” was conducted on 20.12.2025 by Dr. A. Indira Priyadarsini, Department of Botany. The seminar focused on the theme “Opportunities in Environment” and emphasized the importance of environmental protection through sustainable livelihood options. Dr. A. Indira Priyadarsini elaborated on various self-employment avenues such as organic farming, vermicomposting, nursery management, medicinal plant cultivation, solid waste management, biofertilizer and biopesticide production, eco-tourism, and environmental consultancy services. The session also highlighted the role of youth in achieving the objectives of Swachh Andhra-Swarna Andhra by adopting eco-friendly practices and converting environmental challenges into employment opportunities. Government schemes and start-up support available for green enterprises were briefly discussed.

The seminar was interactive and informative, motivating students to explore environmentally sustainable self-employment options. The programme

successfully created awareness about the scope of the environment sector in achieving both economic development and environmental sustainability. The seminar was graced by the presence of Dr. A.Srilakshmi, HOD, Department of Computer Applications, Dr. D. Bhaskar, HOD, Department of Commerce and Dr. M. Revathi, HOD, Department of English, who encouraged interdisciplinary learning and student participation.

Number of students participated: 25

Department of Computer Applications:

The Department of Computer Applications, Government Degree College, Nagari, organized the Swarna Andhra - Swachh Andhra (SASA) programme with the objective of promoting environmental awareness and sustainable practices. The programme focused on the critical issue of electronic waste (e-waste) management, emphasizing responsible handling, recycling, and disposal methods.

The programme commenced with an inaugural address by Dr. R. Venugopal, Principal, who highlighted the importance of environmental responsibility in higher education. He emphasized the role of students and educational institutions in supporting government initiatives like Swarna Andhra - Swachh Andhra and

adopting sustainable practices to protect the environment.

Dr. A. Sri Lakshmi, Lecturer in Computer Applications, delivered an insightful session on e-waste management, covering:

- Ø Types and sources of e-waste such as computers, mobile phones, batteries, and electronic accessories
- Ø Importance of proper collection and segregation of e-waste
- Ø Scientific and eco-friendly recycling and disposal techniques
- Ø Government policies and regulations related to e-waste management

She also explained how improper handling of e-waste leads to severe environmental hazards, including soil and water pollution and health risks due to toxic substances like lead, mercury, and cadmium.

The programme witnessed active participation from students and faculty members. An interactive session enabled students to raise questions and gain clarity on e-waste handling, recycling processes, and environmental safety measures.

Number of students participated:96

Department of Commerce:

The Department of Commerce, Government Degree College (A), Nagari, organized a seminar on “Opportunities in the Environment: Role of Banking Sector in Employment Opportunities in Waste Recycling” on 22.11.2025 in the Seminar Hall. The programme aimed to sensitize Commerce students to emerging employment opportunities arising from environmental challenges, with special reference to waste recycling and the supportive role of the banking sector.

The session was delivered by Mr. S. Yuvaraj, Manager, Union Bank of India, Nagari, who provided valuable insights into how banks act as key enablers in creating employment opportunities in the environmental sector. He explained that waste recycling has become a major area of green employment and that banks play a crucial role by financing recycling units, waste management start-ups, and eco-friendly enterprises. Mr. S. Yuvaraj elaborated on various banking initiatives such as priority sector lending, Mudra loans, MSME financing, and start-up loans that support entrepreneurs engaged in plastic recycling, e-waste management, composting, bio-waste processing, and solid waste segregation. He emphasized that these activities not only generate employment but also contribute to environmental protection and sustainable economic growth.

The resource person also discussed how banks promote financial inclusion by supporting self-help groups, small entrepreneurs, and youth-led enterprises involved in recycling and waste management activities. He highlighted the importance of environmental responsibility in banking decisions and encouraged students to consider careers in green finance, sustainable banking, and environmental entrepreneurship.

The programme was interactive, with students actively participating and seeking clarification on loan procedures, eligibility criteria, and career opportunities in the waste recycling sector. Faculty members present on the dais encouraged students to adopt an interdisciplinary approach combining commerce, environment, and social responsibility.

Number of students participated:96

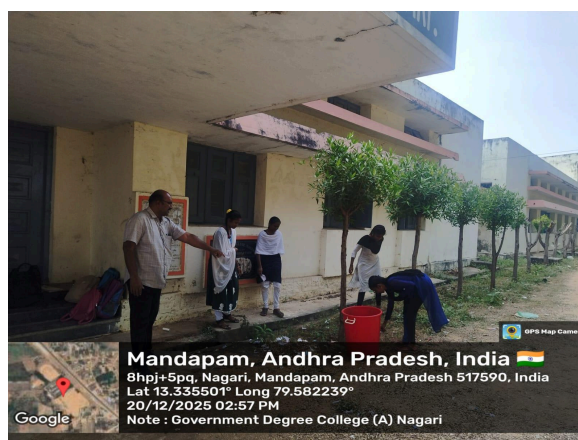

Department of Computer Applications and Commerce:

As part of the Swarna Andhra - Swacha Andhra (SASA) initiative, the Department of Computer Applications in collaboration with the Department of Commerce organized a “Clean and Green” Activity on 20-12-2025 at the Government Degree College (A), Nagari. The programme aimed to create awareness about cleanliness, environmental responsibility, and sustainable campus practices among students.

The Clean and Green Activity was conducted across different areas of the college campus, including open courtyards, pathways, building surroundings, and garden spaces. Students from both departments actively participated along with faculty members.

Faculty members supervised and guided students, ensuring systematic execution of the activity and reinforcing the importance of cleanliness and environmental sustainability.

Number of students participated: 53

RRC, YRC, NCC & NSS BLOOD DONATION CAMP - 22.12.2025

Government Degree College (Autonomous), Nagari organised a Blood Donation Camp on 22nd December 2025 under the joint auspices of RRC, YRC, NCC and NSS, in collaboration with Lions Club, Nagari.

The programme was inaugurated by the Principal, Dr. R. Venugopal, who presided over the event as Chairperson. In his address, he emphasized the importance of voluntary blood donation as a noble humanitarian service and highlighted the role of youth in safeguarding public health.

The programme was graced by Lions Club District Secretary Mr. Prabhakar

Raju, Lions Club Nagari representative Mr. Vasu, Vice President Dr. Manjula, Area Hospital, Blood Bank Manager Ms. Spandana, and T-shirt donor Mr. Bhaskar. Ms. Spandana explained that blood donation is safe and encouraged students to donate without fear.

Dr. G. Swathi, RRC & YRC Coordinator, Dr. D. Bhaskar, NCC Coordinator and Dr. E. Gopi, NSS Coordinator addressed the students on the significance of blood donation and social responsibility. Following their speeches, the blood donation camp commenced smoothly.

T-shirts were distributed to all blood donors as a token of appreciation. The programme witnessed enthusiastic participation from students and volunteers and was conducted successfully.

Faculty members Dr. Reddinaik, Dr. Chinnappamma, Dr. Indira, Dr. Aruna, Dr. Suhasini, along with Mr. K. Lokesh and Mr. Lalbasha, actively participated and contributed to the grand success of the programme.

Principal Dr.R.Venugopal, RRC coordinator Dr.G.Swathi, NSS Coordinator Dr.E.Gopi, NCC officer Dr.D.Bhaskar along with Lion's Club Members

**HON'BLE CHIEF MINISTER, GOVERNMENT OF ANDHRA PRADESH INTERACTION
WITH STUDENTS ON "QUANTUM VALLEY" (VIDEO CONFERENCE)
23.12.2025**

Principal Dr.R.Venugopal, Vice-Principal Dr.M.Bhaskar Raju, faculty and students attended the video conference on 23.12.2025 in which the Honourable Chief Minister of Andhra Pradesh Sri. Nara Chandrababu Naidu garu interacted with the students across the state. In the conference he gave a power point presentation to the participants and shared his vision of creating a world-class quantum ecosystem in Amaravati, leveraging India's potential in IT for the "quantum revolution". He said he is planning to transform Amaravati into India's first "Quantum Valley," positioning it as a global deep-tech hub similar to Silicon Valley. Targeted for launch by January 1, 2026, the initiative aims to make AP a leader in quantum computing, AI, deep tech, and green hydrogen, while creating high-value jobs and next-generation skills.

The project involves partnerships with IBM, TCS, and L&T, development of multiple quantum computing platforms (neural atom, trapped ion, photonic, topological), and a complete supply chain spanning semiconductors, cryogenics, and AI. Applications include healthcare, agriculture, climate forecasting, and defense. To boost talent, the state is even offering ₹100 crore for a Nobel laureate in quantum science from AP.

Principal, Staff and students attending the conference

DEPARTMENT OF POLITICAL SCIENCE AND NCC VEER BAL DIWAS 26.12.2025

Veer Bal Diwas, Brave Child Day is a Solemn observance in India, held annually on December 26th to commemorate the courage, sacrifice and exemplary values of India's young heroes. It celebrates inspiring youth to uphold strong moral values. As a part of Veer Bal Diwas, the Dept. of Political Science & NCC wing of Government Degree College(A), Nagari organized various programmes.

1. Awareness Programme on Courage of Children:

The program featured an inspiring address by Dr. R. Venugopal, who delivered an insightful speech explaining the historical significance of Veer Bal Diwas. He highlighted the extraordinary bravery and martyrdom of young heroes in Indian history and emphasized the relevance of these values in contemporary society. His speech served as a source of motivation for students to uphold ethical values and national unity.

The event was successful in creating awareness and motivating students to cultivate bravery, confidence, and social responsibility.

Outcome:

- Ø Students gained awareness about the significance of courage and sacrifice towards the nation.
- Ø The programme instilled moral values, confidence, and a sense of responsibility among students.

Principal Dr.R.Venugopal addressing the students

2. Quiz Program - Knowledge based game:

As part of the awareness initiative, a Quiz Program and a Debate were organized to actively engage students. The quiz tested students' knowledge of history and national values, while the debate encouraged critical thinking and expression on themes related to courage, sacrifice, and patriotism.

Quiz and Debate competitions

3. Rally: In addition, a Rally was organized to spread awareness about the importance of Veer Bal Diwas among the wider student community. Students participated enthusiastically, raising patriotic slogans and conveying messages highlighting the sacrifice and courage of the Sahibzadas. The rally helped in effectively disseminating the message across the campus.

Rally from the College to Mandapam in the Nagari Town

The program witnessed active participation from both students and faculty members. Overall, the Veer Bal Diwas Awareness Program was meaningful and educational, successfully strengthening historical awareness and patriotic spirit among the participants.

Dr.P.Venugopal - participation in *Financial Literacy and Skill Development Programme* organized by CCE

Dr.P.Venugopal, Lecturer in Commerce had the opportunity to attend the *Collegiate Education - AMFI & IIM Visakhapatnam Joint Initiative on Financial Literacy and Skill Development Programme*, conducted through Video Conference on **23.10.2025**, with the participation of identified faculty from Government Degree Colleges (GDCs) and officials from IIM Visakhapatnam.

The programme offered valuable insights into financial literacy, investor awareness, capital markets, and contemporary skill development initiatives. It significantly enhanced my academic and professional understanding, particularly in the areas of investor education and financial inclusion. As part of this learning process, he has also successfully qualified the **SEBI Investor Awareness Test**, as evidenced by the certificate obtained. He sincerely expressed his gratitude to the **Department of Collegiate Education, AMFI, IIM Visakhapatnam, SEBI, and NISM** for organizing this meaningful and impactful initiative. He said such programmes play a crucial role in strengthening faculty capacity and promoting financial awareness.

Certificate of Participation

is awarded to
