DEPARTMENT OF COMPUTER SCIENCE

Guest Lecture - 07.12.022

Mr. Shaik Munwar, Assistant Professor of Computer Science introducing the guest speaker

Mr. Ponnambalam, Guest Lecturer in Computer Science coordinating the Quiz Session

Department of Computer science organized a guest lecture for II B.Sc (MPCs) students on “Web Technologies” on 07-12-2022. The expert was Mr. T. Anil Kumar, Team lead Indigene, Bangalore.

Mr. Shaik Munwar Lecturer in Computer Science welcomed the Guest and participants and explained the objectives and expected outcomes of the Course. He also emphasized the benefits of such kind of ingenious activities. In the session, T. Anil Kumar, Team lead, Indigene, Bangalore highlighted the importance of programming and soft skills needed for students who are seeking for software jobs. And he also explained about the HTML Basics and other tools needed for dynamic website designing. The session was followed by Q&A with vote of thanks by Mr. K. G. Ponnambalam, Guest Lecturer, Department of Computer Science.

DEPARTMENT OF BOTANY

Inauguration of Best Practice - 07.12.2022

The Department of Botany has started a Best practice named “Know A Plant Daily” on 07.12.2022. The programme was formally inaugurated by Principal Dr.R.Venugopal along with In-charge, Department of Botany, Dr. A. Indira Priyadarsini on 7.12.2022 along with students of I & III BZC. In this practice the students are encouraged to collect one twig daily which is properly identified by him /her with the aid of faculty and it will be pasted on the notice board. Below the twig, the details of the collected plant like, common name, botanical name, family, Medicinal importance will be displayed. Everyday a new plant will be collected by the students in the order of their appearance in the attendance register. A book is maintained to preserve the data of plants collected everyday along with signatures of students. This practice will inculcate Botanical knowledge among students of non- biological background and initiate love for plants among the students of Botany. Principal Dr.R.Venugopal highly appreciated the idea of the programme which will help to ignite the minds of students towards research of plants. In this programme nearly 35 students have participated.

Anti Ragging Cell Awareness Programme - 14.12.2022

**Principal Dr.R.Venugopal Garu and Anti-Ragging Cell
Coordinator Dr.C.Chinnapapamma garu briefing the
activities of the cell**

**Smt. Lakshmi, Women Constable addressing and giving
awareness on consequences of ragging**

Anti ragging cell of GDC Nagari along with the support of Nagari police department had conducted an Awareness program on anti ragging on

14.12.2022. The college Principal Dr.R.Venu Gopal advised the students to develop a good attitude though they are coming from different villages/backgrounds. He further said that knowingly or unknowingly if they cause inconvenience to others either by words or deeds, it will be treated as ragging. Women constables Lakshmi garu and Alekhya were invited as the guest speakers. They said that, because of this uncultured and brutal activity many students are spoiling their lives. She added that the young generation is mainly provoked for ragging influenced by cinemas and developing bad habits like drug addiction.

The anti ragging coordinator Dr.C.Chinnapapamma said that students should develop discipline and behave properly both in and outside of college. Vice principal B.Subramanyam, NCC incharge Dr.D.Bhaskar, Dr.P.VenuGopal, Dr.M.Arunakumari, Dr.D.Ramanjulu and other staff members had attended the programme.

DEPARTMENT OF PHYSICS ENERGY CONSERVATION DAY 14.12.2022

Dr.R.Venugopal, Principal addressing the students on the topic

The department of Physics conducted an Awareness programme on National Energy Conservation Day on 14.12.2022. As we all know,

National Energy Conservation Day is celebrated on 14th December in India to raise awareness among people about global warming, climate change and promote ways of saving energy resources. Dr.R.Venugopal garu, Principal of the college stressed the point “Energy Saved is Energy Produced”, himself being a Physics Lecturer. He further enlightened the students on the following aspects and reminded the students about their responsibility towards energy conservation.

- Depletion of fossil fuel availability will force to look for Renewable energy sources like Solar, Wind, Hydro and Geothermal energy etc.,
- In recent years the use of Non-conventional energy sources have increased resulting in reduced use of fossil fuels.
- Importance of 3Rs – Reduce, Re-use, Recycle in energy conservation.
- Energy Savings –Measures to be adopted in Home, Office & Industries.
- Turn-off lights & appliances when not in use.
- Reducing the usage of energy-intensive appliances by performing household tasks manually.
- Usage of LED bulbs in place of incandescent & CFL bulbs.
- Installation of smart/programmable thermostat / Air-conditioner.

Dr. B.Ramesh, Lecturer in Physics and Dr. M. Pankaja Lecturer in English participated in the programme along with students(50).

JAWAHAR KNOWLEDGE CENTRE
BATCH II - INAUGURATION 14.12.2022

JKC Batch -II for this academic year was formally inaugurated on 15th December 2022 by the JKC Chairman and Principal of the college Dr.R.Venugopal garu. 38 final year students registered for the programme. During his presidential address our college Principal spoke about the need for employability training to the students to get the jobs of their choice. JKC Coordinator Mr.P.Nagarjuna gave a PPT

presentation on the vision, mission and curriculum of JKC programme. Dr.M.Pankaja, Lecturer in English and Guest English Mentor of the programme asked the students to be regular to the classes to get the utmost benefit of the programme. Mr.M.Murali Mohan Reddy, IQAC Coordinator and Mr. Shaik Munwar, Lecturer in Computer Science told about the importance of basic knowledge in computer skills to stand out among the many aspirants of the jobs. JKC Full Time Mentor Mr. Lal Basha told about the time table and how the programme will run for the stipulated period.

Dr.R.Venugopal garu, Principal addressing the students in the inaugural session

Dr.M.Pankaja, Lecturer in English, Mr.P.Nagarjuna, JKC Coordinator, Mr.Murali Mohan Reddy, Lecturer in Computer Applications, Mr.Shaik Munwar, Lecturer in Computer Science and Mr. Lal Basha, JKC FTM addressing the students on the benefits of joining JKC Programme

CAREER GUIDANCE AND COUNSELLING CELL Awareness on “Career in Law” - 16.12.2022

Principal Dr.R.Venugopal garu addressing the participants during the inaugural session

Dr. S. Madhuri Paradesi, Resource Person enlighten the students on Legal Profession

The Career Guidance and Counselling Cell of the college organized an orientation programme on “Career in Law” for the final and second year students of the college on 16.12.2022. Dr.S.Madhuri Paradesi, Associate Professor and HOD, Department of Law, Sri Padmavathi Mahila Visvavidyalayam, Tirupati was invited as the resource person.

The programme started with an invitation to the guests on to the dais by Miss. R.Surekha of III MPCs and invocation to the God by Dr.M.Aruna Kumari, Lecturer in Botany. Principal Dr R Venugopal garu presided over the orientation programme. While addressing the students he said that after completing the degree, every student focuses on higher education. Among the various professions, law can be chosen as one of their career choices. Dr. S. Madhuri, Resource Person, exposed the students to various Career opportunities in law. During her

presentation she has provided needful information to the students on what is a legal profession; how to become a lawyer, different career opportunities after the completion of LLB, such as corporate counselor, company secretaries, judicial services, academics and research and so on and so forth. She said that law education not only gives self-confidence to the students, but also gives them an opportunity to serve the society.

Career Guidance Cell Coordinator Dr. M Pankaja Garu said that although there are many opportunities after graduation, by pursuing law courses one can settle in a respectful position/profession. Career Guidance Cell & Counseling Club Coordinator Dr M Pankaja, JKC Coordinator Sri.P. Nagarjuna, other faculty members Dr M Arunakumari, Dr Indira Priyadarshini, and JKC FTM Lal basha and students participated in the programme.

Orientation prog at JKC college

Chittoor: Career Guidance Cell and JKC of Government Degree college, Nagari jointly organised an orientation programme to the final year students on Career in Law and Gender Sensitization here on Monday

Miss.J.Surekha of III MPCs giving feedback on the session

News Coverage in Indian Express

Counselling Club of the college organized an orientation programme on “Gender Sensitization” for the final and second year students of our college on 16.12.2022. Dr.S.Madhuri Paradesi, Associate Professor and HOD, Department of Law, Sri Padmavathi Mahila Visvavidyalayam, Tirupati was invited as the resource person. Dr. S. Madhuri, Resource Person, exposed the students to various aspects that are essential to overcome the gender disparities in terms of customs, traditions,

rituals, social values etc. in a country like India. She said that individuals need to be more open-minded, rational and unbiased in their thoughts and actions. There is an urgent need to shatter the load of our Orthodox Beliefs and Biased Values to assure progressive existence of both the genders. Moreover there is a need to provide steps to safeguard women's safety. This kind of Training and awareness-raising in educational set-up can eliminate gender-based prejudice and thereby change stereotyped working cultures as regards to the roles and abilities of women and men, including attitude towards women in leadership positions. Counselling Club Coordinator Dr. M. Pankaja said that both the genders need to take stand at their own level, to support and promote the upliftment and wellness of their own and the opposite gender, so as to overcome any sort of differentiation or harassment. JKC Coordinator Sri.P. Nagarjuna, other faculty members Dr M Arunakumari, Dr Indira Priyadarshini, and JKC FTM Lal basha and students participated in the programme.

DEPARTMENT OF MATHEMATICS
National Mathematics Day - 22.12.2022

College Principal Dr.R.Venugopal garu speaking about the contribution of Srinivasa Ramanujan garu

R.Srinivas, In-charge of Mathematics Department addressing the students

The Department of Mathematics celebrated the 135th birth anniversary of Srinivasa Ramanujan on 22nd December, 2022. Our Principal, Dr. R.VENU GOPAL, acted as President of the meeting, addressed that Srinivasa Ramanujan was born in a poor family in Erode of Tamilnadu State and became one of the best mathematicians in the world. Principal wished the students to follow him and bring a good name to the college and to their parents. HOD of Mathematics R.srinivas said that the former Prime Minister Manmohan Singh announced that the Indian government declared 22 December to be National Mathematics Day during the

Miss Swapna, Guest faculty of Mathematics proposing vote of thanks

inaugural ceremony of the celebrations to mark the 125th anniversary of the birth of Srinivasa Ramanujan at Madras University. Mr. P. Nagarjuna, Lecturer in English also talked about the Indian mathematical genius Srinivasa Ramanujan. All the B.Sc students participated in the programme. II B.Sc.students Ms. Pushpa and Ms. Dhana Lakshmi expressed their views about Srinivasa Ramanujan. The programme ended with the vote of thanks by Ms. Swapna, Lecturer in Mathematics.

DEPARTMENT OF ENGLISH

Guest Lecture on “Positive Thinking” - 23.12.2022

Principal Dr.R.Venugopal garu addressing the students during the inauguration

The Department of English, Government Degree College, Nagari arranged a Guest Lecture on “Positive Thinking” on 23.12.2022 to all the first year students. Dr.M.Revathi, Assistant Professor of English,

Government Degree College for Women, Srikalahasti was invited as the Resource Person. Welcome Address was presented by Dr.M.Pankaja, HOD, Department of English, GDC, Nagari.

The Programme began with an invitation to the Principal, Resource Person and other guests onto the dais and invocation to God with a prayer song by Ms. Madhavi of III MPCS. Principal Dr.R. Venugopal garu said that positive thinking is an important personality trait to lead a happy and healthy life. He said that problems are common in everybody's life, but those who challenge them with a positive outlook will surely embrace success in their lives. The Resource Person and Guest Speaker Dr.M.Revathi enlightened students on Positive Thinking and importance of building positive attitude in their lives. Besides, her lecture centered on the character traits of people with positive thinking.

Later she gave tips to develop positive thinking skills by using anecdotes from the Bible, the story of David, a 12 year old shepherd boy who fought with Goliath with courage and confidence, the traits of positive attitude. In addition to that, she encouraged students to interact with her and the peers to do the activities. Students actively participated in the activities like filling the jar with positive words, word puzzle game and Quiz. As a token of gratitude the guest speaker was felicitated with a memento. Dr.M.Pankaja, Incharge, Department of English, Mr. P.Nagarjuna, and Lecturer in English coordinated the programme.

JAWAHAR KNOWLEDGE CENTRE Microsoft Fundamental Course - 26.12.2022

During the academic year 2021-22, 85 students from I and II year registered for Microsoft Upskilling course titled **Azure Fundamentals**. For the first time only 20 students from the list attended an online exam at SVU Engineering College, S.V.University Campus, Tirupati on 30.11.2022 due to the scarcity of vouchers. Among them 5 got through the online test. Later the JKC team paid additional effort to train the students on the questionnaire on a regular basis in JKC classes and gave enough practice. With this confidence, on 26.12.2022, 38 of our JKC students attended Microsoft upskilling Exam at Annamacharya Institute of Technology and Sciences ,Tirupati and all of them got certified. Principal Dr.R.Venugopal garu appreciated the

students and JKC team for the success.
