Brief Report

Title : Guest Lecture on "Communication and Soft Skills"

Date : 04.03.2025

Time : 11.30 am to 1.00 pm

Room No : 123

No. of Students present : 78

The Department of English arranged a Guest Lecture on "Communication and Soft Skills" inviting Dr. R. Devarajulu Reddy, professor, Dept. of English, SVPCET, puttur and Dr. Haren, professor & HOD, Dept. of MBA, SVPCET, puttur. The event was part of a functional MOU with the institution, aimed at educating students on the significance of developing communication, soft skills and Management skills for success in a competitive world.

The inaugural session was chaired by the college principal Dr. R. Devarajulu Reddy Dr. R. Venugopal, who expressed his amazement at the students anchoring of the event, marking it as the first of its kind in the institution. He encouraged students to improve their communication skills through consistent practice, particularly by engaging in activities of the English club.

In the first session, Dr. R. Devarajulu Reddy concentrated on the essential communication and soft skills that every individual should develop in order to thrive both personally and professionally. To make the session

more interactive, he conducted a practical exercise using the British Council app, which helped students enhance their listening and reading comprehension abilities. This hands-on approach not only engaged the students but also introduced them to the benefits of using online tools as effective learning aids, enabling them to incorporate technology into their skill-~~bate~~ building process.

In the next session, Dr. Harun talked about how management skills are important in both studies and work. He explained that managing time well, thinking creatively and developing a good personality help people succeed and live a happy life. His lecture gave useful ideas on how these skills can improve both personal & work life. Audio-visual aids used by Dr Harun made his session more interesting and captivating.

At the end of the event, the principal and English faculty felicitated both professors for their valuable lectures.
