Brief Report

As a part of functional MOU with SVPCET, puttur - The Department of English and JKC of our college arranged a field visit to the select (A6) final year and second year students aspiring for higher education particulary MCA & MBA.

After taking the consent of our College principal Dr.R. Venugopal, the staff of English Department and JKC Dr.M. Revati, Dr.M. Pankaja and Mr.R. Lal Basha took A6 students to SVPCET, puttur on 04.11.2023. Soon after reaching the college, the principal of SVPCET Dr.T Sunil Kumar Reddy, vice principal and Dr.R. Devarajulu Reddy, professor of English cordially welcomed us to their college premises.

Firstly we were taken for campus visit. We visited laboratories, auditorium, Seminar Halls and Library. Followed by this, Dr. Harun, HOD, Dept of MBA addressed our students on the ICET, Entrance Examination for MCA & MBA and spoke at length on the career opportunities in the respective fields. He motivated the students and made the session highly interactive

through case studies.

Later, Dr K Devarajulu Reddy, professor of English took our students to English Language Lab. There he introduced WALDEN Software to our the students and gave hands on practice in grammar activities, phonetics and soft skills. He inspired our students to the core through his eloquent presentation.

At the end of the visit, a few of our students were given an opportunity to meet the chairman of the Institution Sri. Ravuri Balaji garu. He interacted with our students and wished them good luck for their bright future. Our students also thanked him for giving an opportunity to visit their campus and also for providing transportation facility.

FEEDBACK

Field visit to SVPCET Engineering College, Puttur was insightful. Exposure to engineering college environment provided a new experience. Interaction with the faculty and students enriched understanding skills. It also helped to take decisions about academic and career path after graduation. Our heartful thanks for organizing this field visit.

T. Pushpa, III BSCHM

The field trip to SVPCET was really given a valuable experience. It offered a firsthand experience into a different campus to observe the facilities and environment

23.01.2024 TO 25.01.2024

INTRODUCTION:

The Commissionerate of Collegiate Education, Govt. of Andhra Pradesh has partnered with the UNESCO Mahatma Gandhi Institute of Education for Peace and Sustainable Development (MGIEP) to deploy the Self-directed Emotional Learning for Empathy and Kindness (SEEK) and Self Emotional Learning (SEL) online courses for the students of Government Degree Colleges.

The SEEK and SEL courses cover a range of skills from self-regulation and self-compassion to compassion for others and engagement with complex systems. Hosted on MGIEP's indigenously developed online learning platform - FramerSpace, SEEK and SEL are resiliency-informed programs that help in cultivating human values as skills so that we can thrive as individuals and society. The two courses can be completed by the students at one's own pace. Because they are with interactive activities, audio practices, videos based on real life experiences, and a discussion forum to enable peer learning.

In connection with this, CCE planned to organize TOT to all the lecturers in GDCs in 21 NRCs for three days from 23-01-2024 to 25-01-2024 to enable the lecturers on the process of completing the course with the students.

As a part of this, 120 lecturers were trained at the Nodal Resource Centre (NRC), Government Degree College, Nagari in three days by the Master Trainers Dr.V.Munaiah, Lecturer in Statistics, SVA GDC, Srikalahasti and Dr.B.Ramesh, Lecturer in Physics, GDC, Nagari.

LEARNING OUTCOMES:

- Participants will explore why happiness is needed to avoid distress, harm and difficulties.
- Participants will explore why people require cooperative groups to survive as social beings.
- Participants will explore how the wish for happiness takes the people towards kindness and compassion over selfishness and meanness.
- Participants will explore how all human beings have inherent value.

BRIEF REPORT

Training of the Trainers (TOT) program was organized for six constituent Government Colleges by Government Degree College, Nagari-Nodal Resource Centre from 23-01-2024 to 25-01-2024 to learn the SEEK and SEL online courses in turn to teach the students at college level.

The programme was formally inaugurated by the Honourable Commissioner, Collegiate Education, Government of Andhra Pradesh **Sri.Dr.Pola Bhaskar** garu virtually. During his address he said that, in the aftermath of the COVID-19 pandemic, as young people grapple with stress, anxiety and mental health issues, the Self-directed Emotional Learning for Empathy and Kindness (SEEK) self-paced digital course helps in cultivation of personal-well being, strengthen relationships with others and supports individuals to make a positive impact in the communities where they live and operate. He welcomes the partnership with CCE, A.P., towards providing the SEEK course for students and hopes that this resiliency-informed course helps the students in cultivating greater self-compassion, compassion for others and the development of more peaceful and sustainable societies.

In the inaugural session **Dr. R. Venugopal**, Principal, Government Degree College, Nagari Nodal Resource Centre expressed his views to develop greater well being and less suffering and also enlightened the participants on how to become a peace ambassador for a better society. **Dr.M.Bhaskar Raju,** Vice-Principal of the

college told that every individual must shoulder the social responsibility so as to promise a healthy society for next generations.

Dr. M. Pankaja, Program Coordinator, GDC, Nagari-NRC gave her vision on the importance of Social and Emotional learning in our personal life as well as in the society.

Every day the first session was handled by **Dr.Shobita Rao,** Individual Specialist from UNESCO-MGIEP team. She not only introduced the course contents and curriculum but also explained in detail how the course helps the participants in balancing their lives emotionally, ethically and professionally. Later the remaining sessions were handled by the nominated master trainers Dr.V.Munaiah, Lecturer in Statistics, SVA Govt. College for Men, Srikalahasti and Dr.B.Ramesh, Lecturer in Physics, Government Degree College, Nagari. They shared the course contents of SEEK and SEL such as impartiality and common humanity, forgiveness and gratitude, empathic concern and compassion, appreciating interdependence and engaging with discernment and the Self related skills calming body and mind, ethical mindfulness, emotional awareness and self compassion through PowerPoint presentations and activities.

The activities like Guided Meditation, Values Tree, Stress Release Activity with stress balls etc. were very interesting and made the participants lively and interactive. Above all they made the participants acknowledge and understand the emotions more effectively. In the later sessions they demonstrated how to register for the SEEK and SEL course through framerspace.com using ICT. They also helped the participants by extending their support in the registration process and how to complete the contents of the course within 78 hours of duration to get the course completion certificate.

The main objective of the training programme was the TOTs of this programme will in turn register, guide and motivate the students of their respective colleges to complete the course successfully. This course will help the students to cultivate

emotional intelligence, empathy and kindness in their day-to-day life for their betterment, and happiness and betterments of the society as well.

The programme was concluded formally with a valedictory session in which feedback of the participants was highly valued. In the valedictory the Principal of Government Degree College, Nagari, Nodal Resource Centre **Dr.R.Venugopal**, Principal addressed that the multifaceted approach, combining reflective activities, skill building exercises and self-directed learning enable the learners to create lasting positive approach in their life journey. Finally **Dr.M.Bhaskar Raju,** Vice-Principal appreciated the participants for their proactive participation and proposed vote-of-thanks.

The event commenced with a welcome address by Dr. M. Pankaja and briefing on the importance of the English Language Day by Dr. M. Revathi. Later, the President of the function Dr. R. Venugopal, eloquently extolled the unparalleled mastery of language exhibited by William Shakespeare. He emphasized how Shakespeare's rich vocabulary, unparalleled wit, and profound insights into the human condition continue to resonate through the ages, shaping not just literature but the very essence of our language.

Following the President's remarks, the Vice Principal, Dr. M. Bhaskar Raju, took to the stage to underscore the paramount importance of English language skills in today's globalized world. With fervour, he articulated how proficiency in English empowers individuals to communicate effectively across borders, promoting cultural exchange, and advancing career opportunities.

The highlight of the programme was a mesmerizing skit on Merchant of Venice – Court Scene" Ms. K.D. Pavithra, M.S. Charulatha, A.M. Kalaivani, M.J. Bhuvaneswari of I BSC Computer Science(Honours and M.s. Ramya, of I BSC Chemistry Honours) , brought to life the journey of the valiant Ulysses with their emotive performances. Through their portrayal, they showcased not only their mastery of the English language but also their deep appreciation for classic literature.

After the performance, students expressed admiration for the event's immersive experience, highlighting how it enriched their understanding of the English language and its literary treasures. Many remarked on the skit's profound impact, noting how it kindled within them a newfound passion for poetry and drama.

Above all, the English Language Day celebration served as a poignant reminder of the enduring legacy of language luminaries like Shakespeare and Tennyson. It affirmed the timeless relevance of English proficiency while inspiring the next generation to embrace the beauty and power of words with zeal and reverence. Dr. M. Revathi and Dr. M. Pankaja, Lecturers in English coordinated the programme.
