Teachers' Day Celebrations 2026

05.09.2026

Government Degree College (A), Nagari, Chittoor District, celebrated Teachers' Day on 05 September 2026 with enthusiasm and reverence. The programme was organised to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan, the renowned philosopher, educationist, former Vice-President and former President of India. The day provided an opportunity to acknowledge the valuable contributions of teachers towards education, character building and nation-building.

Programme Proceedings

The programme was presided over by Dr. R. Venugopal, Principal, Government Degree College (A), Nagari. The dignitaries Dr. K. Narasimha Varma, Vice-Principal, Dr. M. Bhaskara Raju, In-charge, Department of Political Science, Dr. C. Chinnapapamma, In-charge, Department of Telugu, Dr. M. Revathi, In-charge, Department of English, the other teaching and non-teaching staff and students of the college actively participated in the celebrations.

Significance of Teachers' Day

The speakers highlighted the significant role played by teachers in shaping the academic, moral and social development of students. They emphasised that teaching is not merely the transmission of knowledge but also a process of nurturing values, discipline, critical thinking, leadership qualities and social responsibility among students.

The life and contributions of Dr. Sarvepalli Radhakrishnan were recalled, particularly his commitment to education, philosophy and the advancement of higher learning in India. The speakers stressed the need for teachers to continuously update their knowledge, adopt innovative teaching methods and guide students towards responsible citizenship.

Principal's Address

In his presidential address, Dr. R. Venugopal, Principal, appreciated the commitment and dedication of the teaching faculty in providing quality education and mentoring students. He stated that teachers have a significant responsibility in preparing students to meet the challenges of a rapidly changing society. He encouraged students to respect their teachers, make effective use of educational opportunities and strive for academic and personal excellence.

Participation of Staff and Students

The teaching and non-teaching staff and students participated actively in the celebrations. The programme created a warm and respectful atmosphere and provided an opportunity for students to express their gratitude and appreciation towards their teachers.

Conclusion

The Teachers' Day celebrations concluded successfully with a renewed recognition of the noble role of teachers in society. The programme reinforced the values of dedication, knowledge, discipline, service and responsibility, which are essential for the holistic development of students and the progress of the nation.

The programme was successfully conducted with the active cooperation of the Principal, faculty members, staff and students of the college.

Student Induction Programme 2026 09.09.2026 to 24-09-2026

The 10-Day Student Induction Programme for the academic year 2026-27 was inaugurated with great enthusiasm on Wednesday, 9 September 2026, at Government Degree College (Autonomous), Nagari, under the guidance of the Principal, Dr. R. Venugopal. The programme was organized for newly admitted students of B.A., B.Sc., B.Com. and BBA courses to familiarize them with the college environment, academic system, institutional facilities, student support services and opportunities available for their academic, personal and career development. The programme was conducted through one-hour sessions each day and aimed to help freshers adjust smoothly to higher education, understand their responsibilities and develop confidence.

Day-1: Inauguration and General Orientation

The inaugural session introduced students to the history and development of the institution, code of conduct, academic regulations, multidisciplinary education, skill enhancement courses, online certification courses and digital initiatives of the Government of India. Students were also introduced to the Jawahar Knowledge Centre (JKC), Placement Cell, Career Guidance Cell, health

and hygiene, history and culture, examination system, sports and games and other student support facilities.

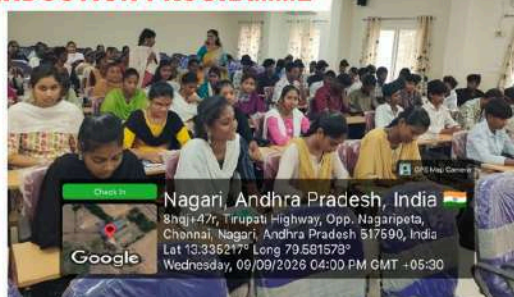

Principal Dr. R. Venugopal emphasized discipline, regular attendance, active participation in academic and co-curricular activities, skill development and effective utilization of college facilities. He encouraged students to make use of the opportunities provided by the college for academic progress, employability and overall personality development.

Dr. R. Venugopal delivered the inaugural address and highlighted the Institutional Code of Conduct on Day-1: 09th September 2026

Students' Participation in Induction Programme – Day-1 and News Coverage Clipping – 09-09-2026

Day-2: National Education Policy (NEP) 2020

Dr. M. Bhaskara Raju, Lecturer in Political Science, addressed the students on National Education Policy (NEP) 2020. He explained its major features and objectives, with emphasis on holistic and multidisciplinary education, skill development, flexible choice of subjects, experiential learning and technology-enabled education. He highlighted the importance of critical thinking, creativity, communication and employability skills. The session helped students understand the new opportunities under NEP 2020 and encouraged them to participate actively in academic and skill-development activities.

Day-3: Multidisciplinary, Skill Enhancement and Online Certification Courses

Dr. J. Girish Kumar, Mr. P. Naveen and Mr. T. Subramanyam explained the importance of **Multidisciplinary Courses (MDCs)**, **Skill Enhancement Courses (SECs)** and **Online Certification Courses**. They discussed the courses available, their academic and career benefits, enrolment procedures and certification requirements. The lecturers highlighted how these courses provide **additional knowledge, practical and technical skills, employability and exposure to emerging areas**. Students were encouraged to select courses according to their interests and career goals, and their queries regarding registration, completion and certification were clarified.

Day-4: Examination System and Digital Academic Facilities

Dr. B. Ramesh, Controller of Examinations, oriented students about the UG examination system, including Mid-I, Mid-II and Semester-End Examinations, internal assessment and academic requirements. Students were advised to maintain **75% and above attendance**, participate in internal assessments and regularly follow examination notifications.

The session also covered examination registration, fee payment, verification of academic details and eligibility requirements. Special emphasis was given to **DigiLocker** and **Academic Bank of Credits (ABC)**. Students were encouraged to create their DigiLocker accounts and complete ABC registration for maintaining and accessing their academic credentials and credits. The interactive session helped students understand their examination responsibilities and digital academic facilities.

Day-5: JKC, Placement and Career Guidance Cell

An awareness session on JKC, Placement Cell and Career Guidance Cell was organized on **18 September 2026**. **Dr. M. Pankaja**, JKC Coordinator, and **Mr. A. Lal Bhasha**, Full-time Mentor, explained JKC activities relating to communication skills, aptitude training, computer skills, employability skills and other career-oriented programmes.

The role of the **Placement Cell** in providing job information, organizing placement drives and connecting students with employers was explained. **Dr. M. Revathi**, **Coordinator, Career Guidance Cell**, explained career counselling, competitive examination guidance, higher education opportunities, government and private employment opportunities and career-oriented seminars. Students were encouraged to actively participate in these programmes.

Dr.M.Pankaja, JKC Coordinator briefing the JKC and Placement Cell activities

Dr.M.Revathi, CGC cell coordinator briefing the activities of the cell

Student participants of the session

Day-6: FRS, Student Responsibilities, Jnana Bhumi and Scholarships

The session was conducted under the chairmanship of **Principal Dr. R. Venugopal**. **Dr. A. Sri Lakshmi**, Lecturer in Computer Applications, explained student responsibilities, discipline, communication with faculty and office staff, participation in curricular and co-curricular activities, **Leap Higher**, **Facial Recognition System (FRS)** and **Jnana Bhumi** portal. She emphasized the importance of biometric attendance and maintaining **75% attendance** for examination and scholarship eligibility.

Sri G. S. Ravi, Superintendent, explained various scholarship schemes, application procedures and required documents, with special emphasis on **Vidya Deevana Scholarships** and attendance requirements.

The session also included orientation on NCC and NSS. Dr. B. Ramesh, CTO, NCC, explained the objectives and benefits of NCC, including discipline, unity, leadership, personality development, social service, patriotism, camps and NCC certificates. Dr. E. Gopi, Programme Officer, NSS, introduced students to the NSS motto “Not Me But You” and explained activities such as blood donation, cleanliness drives, health and hygiene awareness, tree plantation, environmental protection, literacy programmes and social awareness campaigns. Students were encouraged to join NCC and NSS and contribute to community service and nation-building.

Day-7: Health and Hygiene; History and Culture

A Health and Hygiene Awareness Programme was conducted for first-year students. Dr. G. Swathi, Lecturer in Zoology, and Dr. T. Suhasini, Lecturer in

Physics, explained the importance of **personal hygiene, cleanliness, healthy food, safe drinking water, oral hygiene, regular exercise, adequate sleep and a balanced diet**. Students were encouraged to maintain a clean campus and adopt healthy habits for better concentration, attendance and academic performance.

A session on **History and Culture** was conducted on **21 September 2026** in the Seminar Hall. **Dr. G. Tirumala Vasu Deva Rao, Lecturer in History**, explained the importance of history and culture in understanding society and appreciating India's rich heritage. The session encouraged students to respect cultural diversity and preserve historical and cultural values.

Day-8: Sports and Games

A special session on **Sports and Games** was organized on **22 September 2026** by **Dr. P. Maheswari**, In-charge of Physical Education, and **Dr. S. Shukkur**, Physical Director. Students were introduced to the sports and games facilities available in the college and encouraged to participate in college, university, district and state-level competitions.

The importance of **physical fitness, discipline, teamwork, leadership, sportsmanship and time management** was highlighted. A special feature was the introduction of **previous years' winners and outstanding sports achievers of the college**. Their achievements and experiences inspired the newly admitted students to identify and develop their sporting abilities.

Day-9: Student Support Wings and Clubs

An orientation programme was conducted on 23 September 2026 on Student Support Wings - Women Empowerment Cell (WEC), Anti-Ragging Cell, Cultural Club, Eco-Club and other support cells.

Dr. A. Indira Priyadarsini, Coordinator, Women Empowerment Cell, explained the facilities and support available to girl students and emphasized **safety, dignity, equality and self-confidence**. Girl students and women staff took an oath against crimes and violence against women and girls.

Dr. C. Chinnapapamma introduced the **Anti-Ragging Cell** and explained the harmful effects of ragging and the importance of maintaining a safe and respectful campus. Students were advised to report incidents of ragging to the concerned authorities. The **Cultural Club** was introduced as a platform for developing talents in **music, dance, drama, literature and other cultural activities**. Students were encouraged to participate actively in clubs and support systems for their personality development and responsible campus life.

Day-10: Valedictory Programme

The Valedictory Programme of the 10-Day Student Induction Programme 2026-27 was conducted successfully at Government Degree College (A), Nagari in the presence of Principal Dr. R. Venugopal, Vice-Principal Dr. K. Narasimha Varma, teaching staff and students.

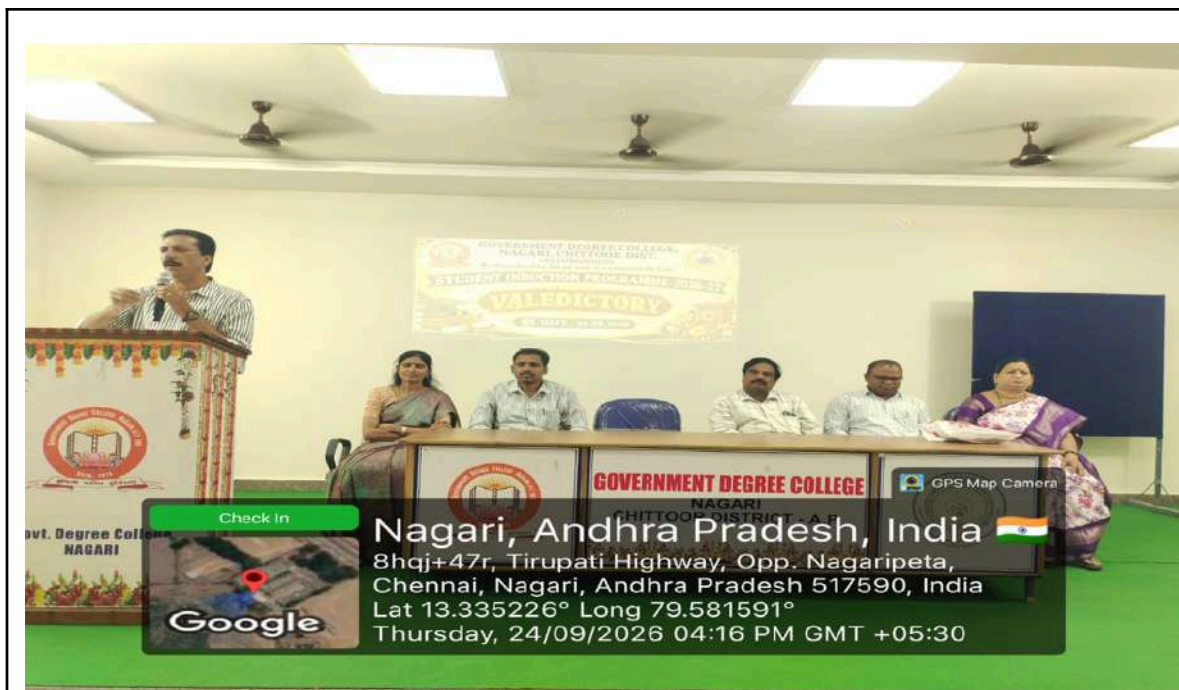

SIP Coordinator Dr. M. Revathi presented a brief report of the ten-day programme covering academic orientation, examination system, digital initiatives, career guidance, student support services, health and hygiene, NSS, NCC, Women Empowerment Cell, Anti-Ragging Cell, Cultural Club and

Eco-Club activities.

The newly admitted students shared their **positive feedback**, stating that the programme helped them understand the college environment, academic requirements, support facilities and various opportunities available on the campus. The programme concluded successfully with students expressing **confidence, enthusiasm and readiness to begin their academic journey.**

Conclusion

The **10-Day Student Induction Programme 2026-27** provided a comprehensive orientation to the newly admitted students and helped them understand the **academic, administrative, career, health, sports, cultural and student-support systems** of the institution. The programme successfully created awareness about students' responsibilities and opportunities and facilitated their smooth transition into undergraduate education.

Department of English

Bridge Course - 09.09.2026 - 17.09.2026

The Department of English conducted a five-day “English Communication Skills - Bridge Course for Undergraduate Freshers” for newly admitted undergraduate students of Government Degree College (A), Nagari, to improve their basic communication skills, confidence, and active participation in English. The programme was designed with interactive and student-centred activities to cater to students with different levels of English proficiency.

Day 1 - “Know Yourself, Express Yourself” focused on self-introduction, vocabulary and expressing personal information.

Day 2 - “English for Real-Life Situations” provided practice through role plays involving asking for information, making requests, and everyday conversations.

Day 3 - “English for College and Career” focused on introducing others, interview skills, career goals and short presentations.

Day 4 - “The English Challenge Day” brought together the skills learnt through vocabulary challenges, sentence-making, question-answer activities, picture speaking and one-minute talks.

Day 5 - “Speak Smart, Speak Confidently” developed sentence formation, expressing opinions, agreeing and disagreeing politely, and asking for clarification.

The students participated enthusiastically in the activities, which helped them overcome hesitation, improve their vocabulary and speaking skills, and develop a positive attitude towards learning English.

Students participation in pair and group activities

Department of Botany & Eco-Club Exhibition on 21 Types of Patri Leaves Used in Vinayaka Chavithi Puja and Clay Ganesha - 11.09.2026

The Department of Botany and Eco-Club, Government Degree College (A), Nagari, organized an exhibition on the occasion of **Vinayaka Chavithi** featuring **21 types of Patri leaves** traditionally used in **Vinayaka Chavithi Puja**, along with a display of an **eco-friendly clay Ganesha idol**. The programme was organized in the Department of Botany with the objective of creating awareness among students about the botanical, medicinal, cultural, and ecological significance of these plants.

The programme was attended by **Principal Dr. R. Venugopal**, **Vice Principal Dr. M. Bhaskar Raju**, and **Dr. A. Indira Priyadarsini**, **Head of the Department of Botany and Convenor of the Eco-Club**. Other faculty members and students of the college also visited the exhibition and actively participated in the programme.

As part of the exhibition, Botany students prepared and displayed **charts**

highlighting the importance, traditional uses, and medicinal properties of the 21 types of Patri leaves. The students also arranged the respective plant materials and explained their botanical and medicinal significance to the students of various departments. Through these student-led presentations, the participants gained knowledge about the diversity of plants traditionally associated with Vinayaka Chavithi and their importance in everyday life.

A special feature of the programme was the display of a **clay Ganesha idol**, which conveyed the message of celebrating festivals in an environmentally friendly manner. Students were made aware of the environmental concerns associated with non-biodegradable materials and chemical colours and were encouraged to prefer natural clay idols and eco-friendly practices.

Remarks of the Guests

Principal Dr. R. Venugopal appreciated the initiative taken by the Department of Botany and Eco-Club and stated that such exhibitions provide students with an opportunity to connect **traditional knowledge with scientific understanding**. He appreciated the students for actively presenting information about the 21 Patri leaves and encouraged them to protect plant diversity and promote environmentally responsible practices.

Vice Principal Dr. M. Bhaskar Raju appreciated the efforts of the Botany students in preparing informative charts and explaining the importance of the plants to their fellow students. He emphasized that traditional practices associated with festivals can also create awareness about **biodiversity, medicinal plants, and environmental conservation**.

Dr. A. Indira Priyadarsini, Head of the Department of Botany and Convenor of the Eco-Club, explained the botanical and medicinal importance of the 21 Patri leaves and highlighted the need to preserve traditional ethnobotanical knowledge. She also emphasized the importance of using **eco-friendly clay Ganesha idols** to reduce environmental pollution and promote sustainable celebration of festivals.

Objectives of the Programme

- To create awareness about the **21 types of Patri leaves** traditionally used during Vinayaka Chavithi.
- To explain their **botanical, medicinal, and cultural significance**.
- To encourage students to appreciate and conserve **plant diversity**.
- To promote traditional **ethnobotanical knowledge** among students.
- To create awareness about the importance of **eco-friendly Ganesha idols**.
- To encourage environmentally responsible celebration of festivals.

Outcome

The exhibition received an encouraging response from students and faculty members. The student presentations and display of plant materials and informative charts made the programme interactive and educational. The initiative successfully integrated **Botany, traditional knowledge, cultural practices, and environmental awareness**, motivating students to value plant biodiversity and adopt eco-friendly practices in their daily lives and festive celebrations.

The programme concluded with a message to celebrate Vinayaka Chavithi with devotion while respecting nature and protecting the environment.

Observation of World Ozone Day - 16.09.2026

The Departments of Botany and the Eco-Club observed **World Ozone Day** on **16th September 2026** with the aim of creating awareness among students about the importance of the ozone layer and the need to protect the environment.

The programme was presided over by the Principal, **Dr. R. Venugopal**, who, in his brief address, highlighted the serious risks associated with the depletion of the ozone layer and emphasized the importance of environmental protection. He urged students to actively participate in plantation activities and contribute to creating a greener and healthier environment.

Vice Principal Dr. N. Narasimha Varma addressed the gathering and stressed the importance of environmental responsibility among students. He encouraged students to adopt eco-friendly practices in their daily lives and to spread awareness about the protection of the ozone layer and the environment.

Sri. P. Naveen, IQAC Coordinator, spoke about the significance of observing World Ozone Day and emphasized the role of educational institutions in promoting environmental awareness. He encouraged students to take part in plantation programmes, reduce activities that harm the environment, and become responsible ambassadors of sustainable development.

Dr. A. Indira Priyadarsini, In-charge, Departments of Botany and Eco-Club Convenor, explained the significance of World Ozone Day and highlighted the role of plants and forests in maintaining ecological balance. She encouraged students to actively participate in environmental conservation initiatives.

Dr. M. Bhaskar Raju, Political Science Faculty, and **Dr. G. Swathi**, Academic Coordinator, also participated in the programme and extended their support for the environmental awareness initiative.

The programme concluded with a call to students to protect the ozone layer, promote plantation, and adopt sustainable and environmentally responsible practices.

NSS and Department of Political Science
Swarna Andhra-Swachha Andhra (SASA) programme
19.09.2026

The Government Degree College (Autonomous), Nagari organized activities under the **Swarna Andhra-Swachha Andhra (SASA)** initiative to promote cleanliness, sanitation, environmental protection, public health and active citizen participation. As per the proceedings of the Commissionerate of Higher Education, Andhra Pradesh, the third Saturday observed as “Swarna Andhra -Swachha Andhra Day”, it was scheduled for 19th September, 2026 coordinated by the dept. of Political Science.

Objectives: The programme aimed to:

- ❖ Promote cleanliness and sanitation in the college and its surroundings.
- ❖ Create awareness about scientific waste management.
- ❖ Encourage Reduce-Reuse-Recycle (RRR) practices.
- ❖ Promote four-way segregation of waste.
- ❖ Discourage littering and the use of single-use plastics.
- ❖ Encourage environmental protection and plantation activities.
- ❖ Develop a sense of civic responsibility among students.
- ❖ Involve students, teaching and non-teaching staff in cleanliness and environmental initiatives.

Activities Undertaken

In accordance with the SASA guidelines, the college-level programme focused on the following activities:

a) Cleanliness Drive

Cleanliness activities were organized in the college premises, including classrooms, laboratories, playgrounds, gardens and other surrounding areas, with emphasis on proper collection and disposal of waste.

b) Waste Segregation and RRR Awareness

Students and staff were sensitized about four-way waste segregation, proper waste management and the principles of Reduce, Reuse and Recycle. Awareness was also created regarding prevention of littering and reduction of plastic waste.

c) Single-Use Plastic Awareness

Awareness was promoted on avoiding single-use plastics and adopting reusable

alternatives in daily life.

d) Collection of Reusable Materials

Collection drives for reusable materials such as used clothes, books, toys and other articles were encouraged as part of the RRR initiative.

e) Awareness and Creative Activities

Activities such as Swachha Samvad, debates, poster making, art competitions, wall painting, waste-to-art activities and awareness programmes may be conducted with the participation of students, Eco Clubs, NSS and NCC.

f) Plantation and Greening Activities

Plantation, beautification and greening activities were encouraged within the college premises, including activities associated with “Ek Ped Maa Ke Naam.”

Participation

The programme was designed to involve students, teaching staff and non-teaching staff, with active participation encouraged by the Commissionerate of Higher Education.

Social Responsibility and Student Learning

The SASA programme provides students with practical exposure to environmental citizenship, public hygiene, waste management and community participation. It also encourages students to translate the principles of cleanliness and environmental responsibility into their homes and communities.

Conclusion

The Swarna Andhra-Swachha Andhra (SASA) initiative provides an important platform for colleges to promote cleanliness, environmental sustainability and responsible citizenship.

Principal Dr.R.Venugopal, Vice-Principal Dr.K.Narasimha Varma, SASA Nodal Officer Dr.E.Gopi and Incharge of Political Science Department Dr.M Bhaskar Raju and students participation in cleaning programme

Career Guidance Cell Seminar on Career Awareness and Employment Opportunities 22.09.2026

The Career Guidance Cell of Government Degree College (Autonomous), Nagari, organized a seminar on Career Awareness and Employment Opportunities for final-year degree students on September 22, 2026. **Mr. Chakradhar** and **Mr. Venkatesh**, resource persons from Kautilya Institution, Tirupati, enlightened the students on various career opportunities available after graduation.

The resource persons explained employment opportunities in Central and State Government sectors and highlighted the essential skills required to secure jobs, particularly communication skills, personality development, continuous

practice, and goal setting. They encouraged students to choose careers according to their interests and abilities and to plan for their future.

Dr. R. Venugopal, Principal of the College, addressed the students and advised them to make effective use of the academic and training opportunities provided by the institution and attend classes regularly to develop the necessary skills.

Dr. K. Narasimha Varma, Vice-Principal, emphasized the importance of regularly reading *Employment News* in the library, staying informed about government job notifications, and planning their careers in advance.

Dr. M. Revathi, Career Guidance Coordinator, organized the programme successfully. The students expressed positive feedback and stated that the seminar was useful in helping them understand career opportunities and plan for their future.

Dr. M. Revathi, Career Guidance Cell Coordinator, briefing about the seminar

Dr. R. Venugopal, Principal, addressing the students on career development and skill enhancement

Dr. K. Narasimha Varma, Vice-Principal, guiding students on career planning

Mr. Chakradar, Trainer from Kautilya Institutions from Tirupati, created awareness on Job Opportunities and Employability Skills

Students Participation in the Seminar on Career Awareness and Employability Skills - 22-09-2026

Students feedback about the Programme

- ❖ Dr.G.Swathi, Academic Coordinator
- ❖ All the departments In-charges and members of the academic council.

Dr. R. Venugopal, the Principal, emphasized the importance of education in providing students with the knowledge and approaches necessary to address educational and societal challenges. He stated that teaching and learning activities are being organized with a student-centric approach. He also highlighted the timely completion of the syllabus, examinations and evaluation and the prompt recording and communication of results. The Principal further stated that Board of Studies meetings, certificate courses, teaching and research activities are being conducted according to a planned academic framework. Member secretary Dr.M.Bhaskara Raju gave a presentation on the Agenda, and reforms to bring for the academic year 2026-27. Dr.B.Ramesh proposed the reforms and financial status Receipts and Expenditure of the COE during the last year 2025-26.

Experts Suggestions

Prof. Venkateswarlu, Senior Professor of Commerce, emphasized the humanistic dimension of education and suggested that teaching-learning activities should have an employment-oriented focus to enhance students' career opportunities.

Prof. Rajeshwaramma, Senior Professor of Telugu, stressed the need to improve students' career awareness. She observed that appropriate awareness can contribute to addressing larger problems.

Dr. Rajendra Prasad, Principal of KKC Law College, highlighted contemporary issues concerning the relationship and tensions between ethics and law.

Prof. Gunasekhar, Professor of Pharmacy, explained the modern developments and changes taking place in biological sciences.

Major Academic Focused Areas

The deliberations of the meeting reflected the following important academic priorities:

1. Student-centred teaching and learning
2. Timely conduct of examinations and evaluation
3. Prompt declaration and recording of results
4. Effective functioning of Boards of Studies
5. Introduction and implementation of certificate courses
6. Promotion of research activities
7. Employment-oriented education
8. Career awareness among students
9. Human values and ethical dimensions of education

10. Awareness of contemporary developments in different disciplines
11. Engaging guest faculty and their remuneration etc.

Conclusion

The participation of senior academicians and representatives from different disciplines enriched the academic deliberations. The meeting emphasized the importance of student-centred education, employability, career awareness, timely academic processes, research and holistic development, thereby supporting the institution's continuing efforts towards academic excellence.

Dr.M.Bhaskara Raju, Member Secretary presenting the agenda

Dr.B.Ramesh, Presenting COE activities and proposing reforms

Prof.M.Venkateswarlu, SV University nominee of the Academic Council presenting his observations and recommendations

Department of Telugu Guest Lecture - 23.09.2026

The Department of Telugu, Government Degree College (A) Nagari, organized a guest lecture on the topic **“The Role of Modern Poetry in Social Development.”** The lecture was delivered by **Professor Rajeswaramma** of **Sri Venkateswara University**.

On the occasion, Professor Rajeswaramma addressed the students and emphasized that **social reform plays a crucial role in the development of society**. Referring to the modernity reflected in the poetry of **Gurajada Apparao**, she explained how he dedicated himself to social reform and used literature as a powerful means to fight for the upliftment of the weaker, underprivileged, and

marginalized sections of society, irrespective of caste, religion, class, or social status.

She encouraged the students to move forward with the determination to progress from their present position towards a higher and better stage in life. She also elaborately explained how Gurajada's writings conveyed important values such as **social reform, patriotism, the welfare of the nation, a commitment to truth, and human relationships.**

Faculty members and students actively participated in the programme and contributed to its successful completion.
