YRC, RRC, NSS AND NCC
Anti Drug Awareness Programme - 16.07.2026

To create awareness among students about the harmful effects of drug abuse and to promote a healthy, drug-free lifestyle, the Youth Red Cross (YRC), Red Ribbon Club (RRC), National Service Scheme (NSS), and National Cadet Corps (NCC) jointly organized an **Anti-Drug Awareness Programme** on **17 July 2026** at Government Degree College (Autonomous), Nagari.

The programme commenced with a welcome address by the Principal, **Dr. R. Venugopal**, who highlighted the growing menace of drug abuse among youth and emphasized the importance of preventive awareness in educational institutions. He encouraged students to stay away from addictive substances and become responsible citizens.

The chief guest, **Sri Mallikarjuna Rao, Circle Inspector (CI), Nagari**, delivered an informative session on the different types of drugs, their adverse effects on physical and mental health, and their impact on families and society. He advised students to remain vigilant against peer pressure and make informed life choices.

Sri Gopi Naik, Sub-Inspector (SI), Nagari, explained the legal provisions relating to drug possession, consumption, and trafficking. He made students aware of the punishments prescribed under the law and stressed the role of youth in preventing drug abuse.

The Vice-Principal, **Dr. Bhaskar Raju**, spoke about the social, educational, and psychological consequences of drug addiction and urged students to adopt healthy habits.

Dr. G. Swathi, Coordinator of the Red Ribbon Club (RRC) and Youth Red Cross (YRC), explained the scientific aspects of drug addiction, describing how drugs affect neurotransmitters in the brain and lead to dependence and long-term health complications.

Students **Keerthi** and **Jennish** shared their feedback on the programme, expressing their commitment to creating awareness among their peers.

As part of the programme, an awareness rally was conducted in and around the college campus with placards carrying anti-drug messages. All participants also took an **Anti-Drug Pledge**, reaffirming their commitment to remain drug-free and to spread awareness in society.

Around **150 students and faculty members** actively participated in the programme. Faculty members **Dr. Indira Priyadarshini, Dr. T. Suhasini, Dr. Chinnappamma, Dr. Revathi, Dr. Pankaja, Sri Anjaneyulu, and Sri Lal Basha** were present and supported the successful conduct of the event.

The programme concluded with a vote of thanks, reiterating the collective responsibility of educational institutions, law enforcement agencies, and society in building a healthy, drug-free future for the younger generation.

Principal Dr.R.Venugopal briefing the consequences of drug consumption/addiction

Vice-Principal Dr.M.Bhaskar Raju addressing the students on healthy habits and YRC coordinator Dr.G.Swathi briefing the side effects of drug consumption

Sri Mallikarjuna Rao, Circle Inspector (CI), Nagari, delivered an informative session on adverse effects on physical and mental health and gave awareness on the punishments prescribed under the law and stressed the role of youth in preventing drug abuse.

Staff and students participation in the programme

**NSS and Department of Chemistry
Swarna Andhra -Swachha Andhra programme
18.07.2026**

- **Campus cleaning drive:** NSS volunteers cleaned classrooms, corridors, and open areas. Plastic and other waste was collected and disposed of properly.
- Volunteers carried placards with slogans like “Keep Campus Clean” and “Go Green” inside the college.
- 60 NSS volunteers, teaching and non-teaching staff took part actively.
- Pledge was taken by students to keep the campus clean and plant at least one sapling per year

The program was conducted successfully. The campus looked cleaner and greener. Students developed a sense of responsibility towards the environment. The Principal appreciated the efforts of NSS volunteers and staff.

Principal Dr.R.Venugopal, NSS Co-ordinator Dr.E.Gopi, In-charge Dept. of Chemistry Dr.M.Naveen and other staff participating in the programme

Students and staff from all the departments actively participating in the cleaning programme

Announcement of II Semester (2025-26) Results

22.07.2026

Government Degree College (Autonomous), Nagari, has achieved an impressive **77% overall pass percentage** in the **II Semester Degree Examinations** held in May 2026.

The results were released by **Dr. R. Venugopal, Principal**, in the presence of **Dr. K. Narasimha Varma, Vice-Principal**, and **Dr. B. Ramesh, Controller of Examinations**.

The college students demonstrated excellent academic performance across various disciplines. **M. Nirmala of B.Sc. Chemistry** secured the highest marks with **594 out of 650** and achieved a remarkable **100 out of 100 marks in Organic Chemistry-I**; **S. Priyadarshini of B.Com. (Computer Applications)** also secured **98 out of 100 marks in E-Commerce and Web Designing**.

The other meritorious students include **A.K. Lokeswari (B.Sc. Botany)** with **588/650**, **K. Hemachandrika (B.Sc. Computer Science)** with **580/650**, **S. Saritha (B.Com. Computer Applications)** with **535/600**, **M.G. Janani (B.Com. General)** with **454/550**, **P. Bhaskar (BBA)** with **441/500**, and **G. Hemalatha (B.A. Political Science)** with **417/550**.

Principal **Dr. R. Venugopal** congratulated all the successful and meritorious students and appreciated the dedicated efforts of the teaching faculty in achieving the commendable results. **Vice-Principal Dr. K. Narasimha Varma** and **Controller of Examinations Dr. B. Ramesh** also congratulated the students and faculty members.

The results release programme was attended by **Dr. M. Bhaskara Raju, Mr. T. Subramanyam, Dr. J. Girish Kumar, Dr. G. Swathi, Dr. M. Revathi and Dr. T. Suhasini.**

The Principal, Vice-Principal and Controller of Examinations conveyed their best wishes to all the students for their continued academic success.

నగరి ప్రభుత్వ డిగ్రీ కళాశాలలో 77 శాతం ఉత్తీర్ణత

డిగ్రీ ఫలితాలను విడుదల చేస్తున్న ప్రిన్సిపాల్ తదితరులు

నగరి, జూలై 21 (ఆంధ్రజ్యోతి): నగరి ప్రభుత్వ డిగ్రీ కళాశాలలో మంగళ వారం ప్రిన్సిపాల్ వేణుగోపాల్ 2026 మేనెలలో నిర్వహించిన రెండవ సెమిస్టర్ ఫలితాలను విడుదల చేశారు. ఇందులో 77 శాతం ఉత్తీర్ణత సాధించినట్లు ఆయన పేర్కొన్నారు. బీఎస్సీ కెమిస్ట్రీ విద్యార్థిని నిర్మల 650 మార్కులకు గాను 594 మార్కులు సాధించి ప్రథమస్థానం దక్కించుకుంది. ఆర్గానిక్ కెమిస్ట్రీలో నిర్మల 100కి 100 మార్కులు, బీకాం కంప్యూటర్స్ అప్లికేషన్స్ కు చెందిన విద్యార్థిని ప్రియదర్శిని కామర్స్ అండ్ వెబ్ డిజైనింగ్లో 100కి 98 మార్కులు, బీఎస్సీ బోటనీలో లోకేశ్వరి 650 మార్కులకు గాను 588 సాధించింది. బీఎస్సీ కంప్యూటర్స్లో హేమచంద్రిక 650కి గాను 580 మార్కులు, బీకాం కంప్యూటర్స్ అప్లికేషన్లో సరిత 600 మార్కులకు గాను 535, బీకాం జనరల్లో జనని 550కు గాను 417 మార్కులు సాధించినట్లు ప్రిన్సిపాల్ పేర్కొన్నారు. కార్యక్రమంలో నరసింహవర్మ, రమేష్, భాస్కర్ రాజు, సుబ్రహ్మణ్యం, గిరీష్ కుమార్, స్వాతి, రేవతి, సుహాసిని తదితరులు పాల్గొన్నారు.

Women Empowerment Cell
Awareness among students on the growing Social issues affecting
Women and Children
22.07.2026

The Women Empowerment Cell (WEC), Government Degree College, Nagari (Autonomous), in collaboration with the Department of Women and Child Welfare, Chittoor District, organized a Women and Child Welfare Awareness Programme on **22nd July 2026** in the college seminar hall. The programme aimed to create awareness among students on the growing social issues affecting women and children and to encourage responsible decision-making among youth.

The programme was conducted under the guidance of the college administration. Dr. Narasimha Varma, Vice Principal, presided over the programme and emphasized the importance of education, self-confidence, and moral values in empowering young women. He encouraged students to prioritize their education, career goals, and personal well-being while making informed life decisions.

The programme was coordinated by the Women Empowerment Cell, led by Dr. A. Indira Priyadarsini, Convener, along with the WEC members Smt. P. Maheswari, Smt. M. Pankaja, Smt. T. Suhasini, and Dr. A. Sreelakshmi, who actively organized and facilitated the event. Dr. M. Bhaskar Raju, Lecturer in Political Science also graced the occasion.

The Resource Person, **Smt. Chandurani**, Women and Child Welfare Administration, Chittoor District, delivered an enlightening and interactive session on the challenges faced by today's youth. She discussed the increasing incidence of student suicides, highlighting the importance of emotional resilience, stress management, and seeking timely counselling whenever needed. She urged students to communicate openly with parents, teachers, and counselors during difficult situations instead of taking extreme decisions. The resource person also spoke about love marriages, explaining that while choosing one's life partner is a personal decision, it should be based on maturity, mutual understanding, financial independence, and family support. She advised students not to make impulsive decisions

driven by temporary emotions.

Addressing the issue of teenage pregnancies, **Smt. Radha** explained their adverse effects on the physical, emotional, educational, and economic well-being of young girls. She emphasized the importance of higher education, health awareness, legal knowledge, and responsible behaviour to prevent early pregnancies and ensure a secure future.

The session further highlighted the role of the Department of Women and Child Welfare, Chittoor, in protecting the rights of women and children through counselling, legal support, child protection services, nutrition programmes, and various government welfare schemes. Students were informed about the availability of support systems and encouraged to approach appropriate authorities whenever assistance was required. The programme reflected the broader goals of initiatives such as Mission Shakti and Mission Vatsalya, which focus on women's safety, empowerment, and child protection.

An interactive question-and-answer session followed, during which students actively participated and clarified their doubts regarding mental health, personal safety, career planning, legal rights, and social responsibilities. The programme concluded with a vote of thanks, expressing gratitude to the resource person, the college administration, faculty members, and students for making the awareness programme informative and successful.

The programme successfully enhanced awareness among students about the importance of mental health, women's empowerment, child welfare, responsible relationships, and making informed life choices, thereby contributing to the holistic development of young citizens.

Vice-Principal Dr.Narasimha Varma and In-charge of Political Science Dr.M.Bhaskar Raju addressing the students on the importance of gender justice, equality

WEC Convenor Dr.A.Indira Priyadarsini briefing the students about the importance moral values

Staff and students participation

Dept. of Computer Applications and Dept. of Computer Science
Guest Lecture on
"Analytical Thinking through Python Coding" - 29.07.2026

The Departments of Computer Applications and Computer Science, Government Degree College (Autonomous), Nagari, jointly organized a Guest Lecture on **"Analytical Thinking through Python Coding"** on **29 July 2026**.

The resource person Dr. G. Nagalakshmi, Assistant Professor, Department of Computer Science, National Sanskrit University, Tirupati, delivered an insightful and interactive lecture emphasizing the significance of analytical thinking and the role of Python programming in modern data analysis. She began by introducing the concept and importance of analytical thinking, followed by an overview of the fundamentals of Python programming. She explained the features and applications of popular Python libraries such as **NumPy**, **Pandas**, and **Matplotlib**, demonstrating how they are used for data analysis, visualization, and problem-solving. She also illustrated how Python supports analytical decision-making by enabling users to extract meaningful insights from large datasets through practical examples and real-world case studies.

The lecture proved highly beneficial for the final-year students of **B.Sc. (Computer Science Major)**, **B.Com. (Computer Applications)**, **B.Com. (General)**, and **BBA**. The session provided students with both conceptual understanding and practical exposure to Python-based data handling and analytical techniques. From all disciplines 104 students attended the lecture.
