

GOVT. DEGREE COLLEGE , NAGARI

**DISTRICT RESOURCE CENTRE
(DRC)**

**Co-ordinator
Dr.M.Aruna kumari**

**Principal
Dr.R.Venugopal**

Overview

Government Degree Colleges are spread across the state in all the districts. Most of them are located in rural and semi urban areas. They mostly serve students from poor and underprivileged sections of the society. The students of colleges located in rural areas face disadvantages like infrastructural and teacher shortages, lack of exposure to modern educational atmosphere and inadequate background support.

They need additional support. Although each district has about 8 to 12 Government Degree Colleges and they are working as total individual entities so far. Pooling and sharing of resources will benefit students of all colleges especially rural colleges.

The Government Degree Colleges in each district, therefore, were networked with a select government college in the district, called the District Resource Centre (DRC). Year long activities are planned and implemented by the colleges of the district under the DRC for the benefit of the students in the subject and in general areas. The DRCs are expected tentatively to compensate some of the disadvantages faced by the students of all colleges, especially in the rural colleges.

Vision And Mission

District Resource Centres provide students and educators with cost effective, equitable District-wide access to learning resources and services through evaluating, acquiring, managing and promoting these resources.

District Resource Centres are well positioned to promote and facilitate the implementation of the effective use of learning resources. As the variety and format of learning resources continue to expand, there will be an increasing need to support the integration of these resources and their associated technologies with good teaching practice. Teachers will be faced with acquiring the skills needed to use a wider variety of learning resources in order to successfully integrate them into new and changing curriculums. A District Resource Centre should play an integral role in supporting student learning by providing the essential link between curriculum, college library resource centres and learning resources.

GOVERNMENT DEGREE COLLEGE, NAGARI

DISTRICT RESOURCE CENTRE

2021 - 22

ACTIVITY
ONLINE ELOCUTION COMPETITION
