Brief Report on 10-Day Student Induction Programme

From 22-09-2025 to 10-10-2025

Career Opportunities After Graduation - 21-08-2025

Event	Student Induction Programme
Day & Date	From 22-09-2025 to 10-10-2025
Time	03-00 to 5-00PM
Students Participated	132
Organized by	Department of English

Objectives of the Student Induction Programme:

1. To familiarize students with the institution's history, vision, and code of conduct.
2. To introduce academic frameworks such as NEP 2020, CBCS, 4-year Single Major structure, CIA, CSP, and internships etc.
3. To create awareness of multi-disciplinary learning, skill enhancement, online certification courses, and digital initiatives.
4. To orient students about student support wings, grievance redressal, clubs, NCC/NSS, and avenues for personal and social development.
5. To promote health, hygiene, cultural awareness, sportsmanship, and ethical responsibilities

Outcomes of the Programme:

Students will be able to

- understand institutional systems and demonstrate adherence to the code of conduct.
- gain clarity on academic structure and become confident in navigating NEP-2020, CBCS, and 4-Year Single Major programmes.
- familiar with academic enhancement tools and utilize digital platforms effectively.
- engage with student support units and participate in clubs, NCC/NSS, YRC/RRC, and grievance mechanisms.
- show improved awareness of health, hygiene, cultural heritage, sports, and social responsibility.

Brief Report on 10-Day Student Induction Programme

From 22-09-2025 to 10-10-2025

The 10-Day Student Induction Programme held at Government Degree College (Autonomous) from 22nd September 2025 to 10th October 2025 for the newly joined first-year students. The programme aimed to familiarize newcomers with the academic environment, administrative processes, and cultural ethos of the institution. The sessions were planned to provide the students about the college's history, vision, and core values. It also highlighting the wide range of academic opportunities and support services available on campus. The programme emphasized key aspects of the National Education Policy (NEP) 2020 and demonstrated how the institution integrates its principles through flexible learning, skill development, and learner-centric initiatives. By offering informative interactions, orientation talks, and exposure to various student support wings, the induction programme ensured that learners felt welcomed, informed, and prepared to begin their academic journey with confidence and clarity.

SESSIONS

Code of Conduct

After the formal inaugural session on 22-09-2025, the programme commenced with a keynote address by **Dr. R. Venugopal, Principal of the institution**. In his address, he spoke about the proud legacy of the college, outlining its significant achievements such as the NAAC A+ grade and Autonomous Status, which reflect its steady progress toward becoming a future Centre of Excellence. He also explained the Institutional Code of Conduct, stressing the need for discipline, academic honesty, and maintaining a positive learning atmosphere. His insightful remarks provided clear direction for the newly admitted students, reinforcing the core values upheld by the college and the expectations regarding their behavior and academic commitment.

Dr. R. Venugopal, Principal, Inaugurated the programme and enlightened on the Institutional Values and Code of Conduct on 22nd September 2025 in Student Induction Programme - 2025

NEP 2020 in Higher Education, CBCS, 4-year Degree Single Major, CIA, CSP, and Internships - 23.09.2025

A special session on **NEP 2020 in Higher Education, CBCS, 4-year Degree Single Major, CIA, CSP, and Internships** was conducted by Dr. M. Bhaskara Raju, Vice-Principal, Dr. P. Maheswari, Academic Coordinator, Dr. M. Revathi, CSP Coordinator, Dr. P. Venugopal, Internship Coordinator on 23rd September 2025.

Dr. M. Bhaskara Raju, Vice-Principal, provided a comprehensive overview of the policy's vision, objectives, and transformative impact on higher education in India. He began by explaining that the NEP 2020, introduced by the Government of India, aims to make education holistic, flexible, multidisciplinary, and aligned to the needs of the 21st century. He explained the structure and benefits of the **Choice Based Credit System (CBCS)**, emphasizing how it empowers students to design their own learning pathways through elective and skill-based courses. She focused on the newly introduced **4-year Undergraduate Degree with a Single Major**, where the resource person discussed exit options, credit requirements, and the importance of the research component in the fourth year.

Dr. M. Bhaskara Raju, Vice-Principal, provided a comprehensive overview of NEP 2020, CBCS and 4-Year Single Major System on 23rd September 2025

Dr. P. Maheswari, Academic Coordinator and Lecturer in Statistics delivered an insightful explanation of **Continuous Internal Assessment (CIA)**, emphasizing its crucial role in the NEP 2020 framework. CIA was described as a progressive evaluation system designed to move beyond the limitations of traditional end-semester examinations. It ensures that learning is continuous, comprehensive, and skill-oriented. She highlighted that CIA evaluates students through a variety of tools such as assignments, presentations, quizzes, seminars, group discussions, case studies, project work, and classroom participation. She also explained how CIA reduces exam stress by distributing assessments throughout the semester, making the learning process more manageable and meaningful.

Dr. P. Maheswari, Academic Coordinator emphasized on Continuous Internal Assessment (CIA), its crucial role in the NEP 2020 Framework on 23-09-2025

Dr. M. Revathi, the coordinator of CSP and Lecturer in English, highlighted that CSPs are not mere extracurricular activities but structured learning experiences designed to connect classroom knowledge with real-life community needs. She explained how CSPs enable students to engage with local communities, identify social issues, and offer feasible solutions. Through activities such as literacy campaigns, environmental awareness programmes, health camps, village surveys, and digital literacy drives, students develop empathy, leadership, teamwork, and civic responsibility.

Dr. P. Venugopal, Internship Coordinator and Lecturer in Commerce, stressed the importance of Internships in enhancing professional readiness. He elaborated on how internships create a bridge between academic learning and the workplace by offering hands-on experience in real-time work environments. Students gain exposure to industry practices, workplace culture, problem-solving situations, and skill-based tasks relevant to their discipline. He further emphasized that internships significantly improve employability, communication skills, confidence, and career clarity.

Dr. P. Venugopal, Internship Coordinator, stressed the importance of Internships in enhancing professional readiness

Online Certificate Courses, Multi-Disciplinary Course and Skill enhancement Courses - 24.09.2025

As part of the Student Induction Programme, an engaging session on **Online Certificate Courses, Multi-Disciplinary Courses, and Skill Enhancement Courses** in the UG curriculum by Dr. P. Naveen, Lecturer in Chemistry, Dr. P. Venugopal, Lecturer in Commerce and Dr. J. Girish Kumar, Lecturer in Mathematics. The session began by **Dr. P. Naveen** with an overview of the opportunities provided to students through **Online Certificate Courses** offered by platforms such as SWAYAM, NPTEL, MOOC portals, and other recognized digital learning platforms. He highlighted how these courses allow students to upgrade their knowledge, earn additional credits, and enhance employability by learning at their own pace.

Dr. P. Venugopal focused on **Multi-Disciplinary Courses**, a key component of the NEP 2020 curriculum. He explained how these courses enable students to explore subjects beyond their core discipline, promoting holistic learning and broadening intellectual horizons. Examples from humanities, sciences, commerce, and vocational fields were shared to help students understand the academic flexibility available to them.

Finally, **Dr. J. Girish Kumar** emphasized the importance of **Skill Enhancement Courses (SECs)** in building practical and career-oriented skills. He described how SECs equip students with communication abilities, digital literacy, analytical thinking, and domain-specific competencies essential for the job market.

Dr. Naveen, Lecturer in Chemistry focused on Online Certificate Courses, Dr. P. Venugopal, Lecturer in Commerce, enlightened on Multi-Disciplinary Courses and Dr. J. Girish Kumar, Lecturer in Mathematics, spoke on Skill Enhancement Courses in SIP Programme - 2025 on 24-09-2025

Student Support Wings - 25-09-2025

Grievances and Redressal Cell, Anti-Ragging Cell:

Coordinators of Grievances and Redressal Cell, **Anti-Ragging Cell** Coordinators, **Dr. C. Chinnapamma, Lecturer in Telugu** and **Sri. D. Ramanjulu, Lecturer in Economics** explained the concept of grievances on campus and the formal mechanisms available for their redressal through the **Grievances and Redressal Cell, Anti-Ragging Cell**. They created awareness among newly admitted students about common issues and appropriate ways to address them, helping them understand the expected standards of behaviour. The session also focused on the seriousness of ragging, its harmful effects on peers, and the strict legal consequences. Students were clearly informed that ragging is a punishable offence and completely prohibited in and around the campus.

Dr. D. Ramanjulu, Grievances Cell Coordinator and Dr. C. Chinnapamma, Anti-Ragging Cell Coordinator explained the concept of grievances on campus and the formal mechanisms available for their redressal in SIP Programme on 25-09-2025

Women Empowerment Cell

Dr. A. Indira Priyadarsini, WEC Coordinator and **Lecturer in Botany**, educated girl students on a range of important women-related issues. She provided guidance on appropriate campus conduct, highlighting the importance of maintaining a respectful and secure environment for female students. She also emphasized the significance of personal hygiene and its role in overall well-being, offering practical tips and advice. Through the WEC, she encouraged female students to engage in discussions on gender issues, empowerment, and self-care, while the other clubs were introduced to address environmental awareness, cultural engagement, and leadership development. These initiatives aim to create a supportive and enriching campus experience for all students.

Dr. A. Indira Priyadarsini, WEC Coordinator educated students on gender issues, empowerment and self-care on 25-09-2025.

Eco-Club and Cultural Club:

Dr. M. Aruna Kumari, Coordinator of the Eco-Club and Lecturer in Botany enlightened the students about Various Environmental initiatives on Campus, the Importance of a Clean and Green campus, significance of Plants and eco-friendly Vehicles.

Further, **Cultural Club Coordinators Dr. M. Aruna Kumari and Dr. D. Ramanjulu**, encouraged students to participate actively in cultural activities to enrich their learning experience. She highlighted that such activities enhance creativity, teamwork, energy, and confidence, while also building essential life skills and a vibrant, inclusive campus culture that balances academics with artistic expression.

**Dr. M. Aruna Kumari, Eco-Club Coordinator, enlightened on Eco-Club Activities
Dr. M. Aruna Kumari and D. Ramanjulu, Cultural Club Team, encouraged students to participate actively in cultural activities in SIP-2025 on 25-09-2025**

JKC/ Placements/ CGC/ E-Learning/ ICT/ Digital Initiatives

26-09-2025

The JKC and Placement Coordinator and Lecturer in English, Dr. M. Pankaja created awareness about the training and placement activities conducted on campus to enhance students' employability. She explained that the JKC wing provides systematic training in job-oriented skills such as arithmetic and reasoning, computer proficiency, communication, and soft skills to prepare students for competitive recruitment processes. The JKC Full-Time Mentor (FTM), Mr.Lal Basha further briefed students on upcoming job drives and the importance of enrolling in online Microsoft certification courses. Emphasis was placed on continuous skill development, industry readiness, and active participation in training programmes to improve career prospects and placement opportunities.

JKC Coordinator Dr.M.Pankaja and JKC FTM Mr. R.Lalbasha briefing the JKC programme to the freshers – 26.09.2025

E-Learning/ ICT/ Digital Initiatives

Dr. A. Srilakshmi, Lecturer in Computer Applications explained the role of ICT tools in improving the quality of teaching, learning, and evaluation. She introduced the college's digital and virtual classrooms, projectors, and computer laboratories, encouraging students to use these facilities for PowerPoint presentations, project work, and internships. She also outlined the E-learning facilities, including the CCE Learning Management System (LMS), which offers subject-wise e-content in the form of PPTs, videos, lecture notes, and MCQs prepared by expert faculty.

Later, Dr. B. Ramesh, Lecturer in Physics focused on the Digital Initiatives of GOI motivated students to enroll in free online courses through SWAYAM and NPTEL and

familiarized them with ICT-based assessment tools like Plickers, Quizizz, and Testmoz for interactive learning.

Dr. A. Srilakshmi, Lecturer in Computer Applications and Dr. B. Ramesh, Lecturer in Physics, enlightened on the role of ICT tools, and Digital Initiatives by GOI in improving the quality of Learning on 26-09-2025

Awareness on FRS/Biometric systems, Scholarships, Student Responsibilities, Jnanabhumi, and Vidya Deevana: 27.09.2025

The programme covered important topics such as FRS/Biometric systems, Scholarships, Student Responsibilities, Jnanabhumi, and Vidya Deevana. The session began with a presentation by **Dr. A. Sri Lakshmi, Lecturer in Computer Applications**, who emphasized the responsibilities of students regarding their conduct and timely responses to official communications issued by the Principal, various committee coordinators, and office staff.

Sri. G. S. Ravi, Superintendent, from the office, provided insights into student scholarships and the Vidya Deevana scheme. He informed the students that all eligible candidates may apply for scholarships by providing necessary documentation.

Next, Smt. K. Uma Maheswari, Lecturer in Computer Science, provided a detailed explanation of the Facial Recognition System (FRS), Jnanabhumi, and the Biometric attendance system. She instructed the students to register on the Jnanabhumi platform, noting that attendance will be tracked daily through the FRS in the Jnanabhumi app. She also stressed the necessity of maintaining a minimum of 75% attendance, which is required for eligibility to sit for university examinations and to claim government scholarships. She urged all students to attend classes

regularly.

Dr. A. Srilakshmi, Lecturer in Commerce, Sri G. Ravi, Office Superintendent and Smt. K. Umamaheswari, Lecturer in Computer Science, provided insights on FRS/Biometric systems, Scholarships, Student Responsibilities, Jnanabhumi, and Vidya Deevana Schemes in SIP programme on 27-09-2025.

NCC and NSS on 06-10-2025

The Coordinators of the National Cadet Corps (NCC) and the National Service Scheme (NSS), Dr. D. Bhaskar and Dr. E. Gopi, Lecturers in Commerce, highlighted the significance of enrolling in NCC and NSS for holistic student development. They emphasized that active participation in these programmes promotes leadership qualities, discipline, teamwork, and a strong sense of social responsibility. NCC provides structured military training, instils patriotism, and promotes national unity, while NSS focuses on community service, nurturing empathy, civic awareness, and volunteerism. Both programmes offer students valuable life skills, enhance character building, and prepare them to become responsible, confident, and socially conscious citizens.

Dr. D. Bhaskar, NCC Coordinator highlighted the significance of enrolling in NCC and NSS for holistic student development on 06-10-2025

Health and Hygiene on 07-10-2025

Dr. G. Swathi, RRC, YRC Coordinator and Lecturer in Zoology sensitized students to the importance of personal hygiene and overall wellness, highlighting the need for a balanced and healthy lifestyle. She introduced the campus health services and support facilities available to students, explaining how these resources can be accessed when required. The session focused on practical measures for building healthy routines, including proper nutrition, regular physical activity, adequate sleep, and periodic health check-ups. She also discussed effective stress management strategies to help students handle academic demands, such as mindfulness practices, efficient time management, and simple relaxation techniques. The talk encouraged students to take responsibility for their physical and mental well-being, enabling them to remain healthy, confident, and academically focused throughout their college life.

Dr. G. Swathi, Lecturer in Zoology, RRC , YRC Coordinator and Lecturer in Zoology sensitized students to the importance of personal hygiene and overall wellness on 07-10-2025

History and Culture on 08-10-2025

Dr. Tirumala Vasudeva Rao, Lecturer in History, elaborated on the rich historical legacy and vibrant cultural heritage of India, with special emphasis on Andhra Pradesh. He explained how the region's significant contributions to language, literature, art, architecture, and traditions have played a vital role in shaping India's cultural identity. The session highlighted the importance of understanding history to appreciate cultural continuity and relevance in contemporary society. He also stressed the need to preserve and promote this heritage for future generations, inspiring a sense of pride, respect, and responsibility among students towards their cultural roots and national heritage.

Dr. G. Tirumala Vasudeva Rao, Lecturer in History, elaborated on the vibrant cultural heritage of India with special emphasis on Andhra Pradesh on 08-10-2025

Sports and Games -09-10-2025

Dr. M. Reddi Naik, In-charge Dept. of Physical Education and Mr. Prem Kumar, Faculty emphasized on the importance of physical fitness and overall well-being on 09-10-2025

A session on Sports and Games was organized as part of the Student Induction Programme by Dr. M. Reddi Naik, the In-charge Department of Physical Education and Mr. Prem Kumar, the Guest Faculty of Physical Education. They introduced students to the sports infrastructure and facilities available on campus. The importance of regular physical activity for fitness, discipline, and teamwork was emphasized. Students were informed about various games and sports activities conducted at intra-collegiate, inter-collegiate, and university levels. The speakers encouraged students to actively participate in sports events to develop leadership and sportsmanship. The session motivated students to balance academics with physical well-being.

Students participated in Games and Sports enthusiastically

Girl Students participated in Games and Sports actively

Valedictory Session on 10-10-2025

The valedictory session of the 10- Day Student Induction Programme for the academic year 2025-26 was conducted on 10-10-2025. **Dr. M. Revathi, SIP Co-ordinator and Lecturer in English** presented a comprehensive overview of the programme, highlighting the key sessions and activities organized during the induction period. The sessions covered important themes such as the Institutional Code of Conduct, NEP 2020, CBCS at the undergraduate level, internships, digital and e-learning initiatives, health and hygiene, student support wings, scholarships, facial recognition-based attendance, NCC, NSS, and placement drives. Students from various Groups shared their feedback, expressing that the induction programme helped them gain clarity about institutional values, academic systems, and the wide range of curricular and co-curricular opportunities available on campus. The session concluded with a sense of fulfillment, inspiring students to actively engage in their academic journey.

The Principal of the college **Dr. R. Venugopal**, appreciated the SIP Coordinator for meticulously planning and successfully implementing the programme for ten days. He encouraged students to reflect on their learning experiences and apply the knowledge gained to enhance their academic and personal growth. He also interacted with students by enquiring about the sessions conducted and acknowledged their alignment with the academic schedule.

Dr. M. Bhaskara Raju, Vice-Principal, Dr. A. Indira Priyadarsini, IQAC Coordinator, Dr. P. Maheswari, Academic Coordinator extended their best wishes to the students and emphasized the importance of utilizing the opportunities introduced during the programme. They urged students to participate actively in academic, co-curricular, and extracurricular activities for their holistic development and long-term career success.

Dr. A. Srilakshmi, Lecturer in Computer Applications, Dr. T. Suhasini, Lecturer in Physics, D. Bhaskar, Lecturer in-charge, Commerce, Sri. D. Ramanjulu Lecturer in-charge Economics, Dr. M. Aruna Kumari, Lecturer in Botany and other lecturers, and students participated in the programme.

The programme concluded with a formal vote of thanks proposed by Dr. M. Pankaja, Lecturer in English.

STUDENTS' FEEDBACK

Student Induction programme 2025-26

22-09-2025 to 10-10-2025

Students' Feedback

1. The induction Programme helped me to understand the College rules and academic system clearly
— D. Rajasekhar
L.B.A
2. I gained useful information about NEP 2020, CBCS, and the four 50 year degree structure. I learned about internship, placements, and career opportunities available on campus.
3. The programme helped me become familiar with digital learning tools. The sessions on health hygiene sports and games were very helpful.
T. Gayathri (1st CA)
Tharani B.Sc (Hc)
4. Session on NCC, NSS, and clubs Activities motivated me to participate actively in extra Curricular Activities
→ K. Hema Chandrika
I.CS
5. The Programme created a positive and friendly learning environment. Interaction with staff helped to reduce my fear as a new student.
— N. Lal Prasad
